Generations Home Health

To whom it may concern:

During my recovery from my two knee replacements (Feb 3, 2017 AND June 21, 2017) I was

fortunate to have your home health care professionals

Rosemary, Christina, Jessica

And Kay come to my home

And help with my health care.

They ALL were so compassionate

And understanding. I would

recommend And use your

professionals again. They were

wonderful. Thank you all again.

Sincerely, Connie Spicer
