

needed to be!

If they were running late they would call! I really have not "one" complaint!! Good care. You should be very proud of the caliber of workers that make up "Generations." Thank them all —

Betty Lou Myers

10-10-18.

Generations,
I would like to express my sincere appreciation for the exceptional group of professional home-health staff that you provided me during my recuperation.

They (without exception) were professional, kind, respectful and worked hard to get me where I
